

A THOUSAND MILES OF DESERT & MOUNTAINS

Here are some interesting resources to get you more acquainted with the Walker River:

<http://parks.nv.gov/parks/walker-river>

https://en.wikipedia.org/wiki/Walker_River

Here's a fishing video from the river (and you can hear for yourself how noisy the river is!):

<https://www.youtube.com/watch?v=56WkdN6P3UY>

Here's everything you want to know about alfalfa - and more!

<https://alfalfa.ucdavis.edu/-files/pdf/alfalfaFactSheet.pdf>

Want to know more about why burros are cautious? Check out this webpage about donkey characteristics:

<https://www.thedonkeysanctuary.org.uk/what-we-do/knowledge-and-advice/for-owners/understanding-donkey-characteristics>

George wrote about the wild roses they saw. Check out this article that describes lots of Nevada wildflowers:

<https://www.americansouthwest.net/plants/wildflowers/nevada.shtml>
