## Definitions:

- Collection # - the number and name of the collection
- Includes unpublished tribal material – whether or not we think this includes unique or unpublished material
- Material types – the sorts of materials we think may be included in the collection. Note: This does not mean that material listed pertains to this Tribe or Nation. The material type may correspond to one of the other Tribes or Nations reflected in the collection instead.

## Collection Listing

| Collection #                                     | Includes unpublished tribal material? | Material types   |
