## Definitions:

- Collection # - the number and name of the collection
- Includes tribal material – Whether or not the collection seems to have material by or about the Tribe
- Includes unpublished tribal material – whether or not we think this includes unique or unpublished material
- Material types – the sorts of materials we think may be included in the collection. Note: This does not mean that material listed pertains to this Tribe. The material type may correspond to one of the other Tribes reflected in the collection.
