Definitions:

- Collection # - the number and name of the collection
- Includes tribal material – Whether or not the collection seems to have material by or about the Tribe, Nation, or community.
- Includes unpublished tribal material – whether or not we think this includes unique or unpublished material
- Material types – the sorts of materials we think may be included in the collection. Note: This does not mean that material listed pertains to this Tribe or Nation. The material type may correspond to one of the other Tribes or Nations reflected in the collection instead.
